Memorandum

TO : ACTING DIRECTOR, FBI

DATE: 10/6/72

FROM : SAC, SEATTLE [REDACTED] (C) **67C**

SUBJECT: [REDACTED] *with H.*

00: Seattle

6 Re Seattle airtel to Bureau dated 5/22/72 captioned "VIETNAM VETERANS AGAINST THE WAR (VVAW), SIT-IN AT REPUBLICAN HEADQUARTERS, SEATTLE, WASHINGTON, MAY 11, 1972; IS - REVOLUTIONARY ACTIVITIES; VIDEM. 00: SEATTLE" and Seattle airtel to Bureau dated 5/24/72 captioned "VIETNAM VETERANS AGAINST THE WAR (VVAW); IS - REVACT."

This letter captioned as above is being submitted to the Bureau for indexing purposes. Seattle file was opened on subject as a result of his participation in a peaceful sit-in at the Republican Headquarters in Seattle, Washington on May 12, 1972. This sit-in was sponsored by the VVAW. Seven persons including subject were arrested at this sit-in by the Seattle Police Department and charged with criminal trespassing. On August 2, 1972, the above charges were dismissed on the subjects.

Background investigation on subject has been conducted and the results along with a suitable photograph are contained in the Seattle file. Seattle sources familiar with revolutionary activities, including VVAW activities, have been contacted and have reported no information indicating subject has a propensity for violence or in any way poses a realistic, direct and current danger to the national security. Subject is not regarded as dangerous now. No interview of subject is recommended at this time as it is not felt subject would have information of value to FBI investigations and because he is currently involved in local VVAW activities it is felt he would not be cooperative.

In view of the above it is not felt subject meets current ADEX criteria and this case is being closed at the Seattle Division to be reopened at such time information is received indicating subject poses a realistic and immediate danger to the national security.

On May 17, 1972, a confidential source advised the Plattsburgh, New York Chapter of the Vietnam Veterans Against the War (VVAW) was first noticed during the International Winter Sports Games held at Plattsburgh in late February, 1972:

VVAW is an anti-war organization organized in 1967, with headquarters in New York City. Its first published objective is "to demand an immediate cessation of fighting and the withdrawal of all American troops from Indo-China."

b7C

The VVAW used State University of New York (SUNY), Plattsburgh, New York facilities for meetings to show movies. About 25 persons attended. VVAW is not an authorized student organization at SUNY, Plattsburgh. The source said [redacted] name appeared on a flyer with CHARLES HARRISON, MICHAEL CARLIN, and RICHARD W. ZOTEA, as sponsors of a march on Plattsburgh Air Force Base (PAFB) on April 29, 1972. The march was planned and sponsored by the VVAW Plattsburgh Chapter as the last event in the Spring Peace Action programs of April 27-29, 1972. [redacted] participated in these programs and the march to PAFB. Source advised [redacted] is believed to be a veteran and student at North Country Community College (NCCC), Saranac Lake, New York.

Source recalled several marchers had threatened to jump the fence at PAFB, but none of these marchers were believed to be VVAW members. In fact, source said, VVAW leaders had helped the police in getting marchers headed back downtown to disperse. Source stated he believes all the leaders of the local VVAW to be non-violent. NEWS LETTER
#18

The Regional office has announced that there will be an Executive Committee meeting in Tuscaloosa Sept. 9th, at 10:00 Saturday morning. Committee members like Cornwell, Cow Atkins, Frank Angarola, Clellon Baeder, Van Thompson, Charles Walton, and David Curry, as well as anyone the Jackson Chapter might choose and send over, are urged to attend this important meeting. The purpose is to finalize plans for the Regional Conference in Auburn. The date of the conference, program at the conference, and the duties of Regional, State, and Local Coordinators will be discussed at the meeting. All members of the committee need to attend or send a representative with identification.

REGIONAL CONFERENCE IN AUBURN

From now to election time will be a critical period for Americans and Indo-Chinese alike. The opportunity for us to pull VVAW together and build needed bridges between anti-war and other movement groups presents itself courtesy of VVAW members in Auburn, who are providing a site for camping and discussion. No plan to have films, speakers, discussions, and some good surprises. The conference will be in late Sept. The date will be announced after the Executive Committee meeting. If you have a preference, let us know by the 9th.

MORE OF THE SAME OLD STORY

This is the 18th news letter which means about 22 reams of paper (\$14) and about \$290 for stamps. This does not count other news letter costs, leafletting, signs & posters, other correspondence, films & slide show, VVAW books, T-shirts, tapes, and staggering phone bills. Also we have the people power now to help out again at the V.A. Hospital but need \$25 for canteen coupons for our booth at the V.A. fair. Veterans Benefit Acts I and II are dying. And with them will die our best chance to improve the tragic lot of our brothers and sisters who are students. The bills that would have provided cash to all returning Viet Vets, medical and educational aid, as well as other benefits to all vets still sit on the shelf for want of the cash to see that it gets passed. But who cares? For more info. write or send dues and/or contributions to the Regional Office.

Lewis Black, candidate for Congress (7th District) has publicly denounced the U.S. role in Indo-China. Brothers in Tuscaloosa have joined forces with both the McGovern people and the National Democratic Party of Alabama. Representatives of both groups have been invited to the upcoming conference in Auburn.

Because VVAW is concerned with gaining a better understanding of the problems of all oppressed people, some women in the state are planing a womens caucus at the Auburn meeting. We have given lip service to the Womens Movement in the past and we have tried to come to grips with women's realities but perhaps now we can move (with the women's help) to a new level of understanding and translate that understanding into constructive everyday usage. So talk with the women in your area and invite them to meet with us so that we all might become liberated.

PLATTSBURGH CHAPTER

On May 17, 1972, a confidential source advised the Plattsburgh Chapter of the Vietnam Veterans Against the War (VVAW) was first noticed during the International Winter Sports Games (FISU) held at Plattsburgh, New York, in late February, 1972.

VIETNAM VETERANS AGAINST THE WAR (VVAW) is an anti-war organization organized in 1967 with headquarters in New York City. Its first published objective is, "to demand an immediate cessation of fighting and the withdrawal of all American troops from Indo-China."

The VVAW used New York State University College, (SUNY), at Plattsburgh facilities for meetings to show movies. About 25 persons attended. VVAW is not an authorized student organization at SUNY, Plattsburgh.

The source advised four names appeared on a flyer as sponsors of a march on Plattsburgh Air Force Base (PAFB) on April 29, 1972. These sponsors were CHARLES HARRISON, SAM MILLER, MICHAEL CARLIN and RICHARD W. AZOTEA. The march was planned and sponsored by the VVAW Plattsburgh Chapter as the last event in the Spring Peace Action Programs of April 27-29, 1972. Source recalled several had threatened to jump the fence at PAFB, but none of these marchers were believed to be VVAW members. In fact, source said, VVAW leaders had helped the police in getting the marchers headed back downtown to disperse. Source stated he believes all the leaders of the local VVAW to be non-violent. VIETNAM VETERANS AGAINST THE WAR
(VVAW). NATIONAL STEERING COMMITTEE
MEETING, PALO ALTO, CALIFORNIA
SEPTEMBER 29, 1972 - OCTOBER 2, 1972

The VB was formed in June 1969 by a coalition of New Left organizations to encourage American youth to travel to Cuba in defiance of a ban on travel to that country by the U. S. Department of State. The ostensible purpose of the travel was to assist the Castro Regime in the harvesting of sugar cane and other agricultural products and to give young Americans the experience of living in a revolutionary communist country.

Source advised the National Office, now headquartered in Chicago, address unknown, opened the meeting Saturday, September 29, 1972, with an analysis of the VVAW's operation "Last Patrol" to the Democratic Miami convention, August 1972, of which the general consensus of the members of the Committee felt was a disaster due to lack of leadership and coordination between various participating groups. The National Committee made a resolution that prior to any national participation by the VVAW in any future event, at least six months of prior planning, both on a regional and national scale, would be necessary.

The next item on the Saturday agenda was the matter of bussing, put forth by the Ohio and Indiana VVAW contingent, in which they stated they favored bussing and this matter was adopted by the entire body in attendance at the Steering Committee Meeting. In the future, the VVAW now endorses bussing.

MEMBER OF SUBJECT ORGANIZATION

CAH/4
The next item on the agenda was the matter concerning the Gainesville Conspiracy, two members of which were in attendance, a Scott Canille and a John Griffin, both of whom indicated they the National Office of the VVAW should be focused on the Gainesville Conspiracy, and they should receive all the attention of the VVAW until they were exonerated. A heated debate arose between Canille and the National Office as it was generally felt that Canille and the others involved in the Gainesville Conspiracy were not concerned with the VVAW, but were merely looking out for themselves.

Source advised the meeting was then broken into workshops. Number one involved the post Vietnam syndrome. This workshop was concerned with the cultural shock resulting in the return of Vietnam veterans from Vietnam and the military, and to the American society, as they were experiencing difficulty

in obtaining good jobs, and a general unfriendliness towards veterans because of the dissatisfaction of the American people with the Vietnam conflict.

MEMBER OF SUBJECT ORGANIZATION

The second workshop involved communication as the National Office experienced considerable difficulty with information they were disseminating to the regional offices eventually reaching the local chapters. The National Office is now preparing a mailing list of all VVAW local chapters in the country. This list is to be completed within thirty days and mailed to all local offices so that they, in turn, can correspond with any local chapter and directly with the National Office of the VVAW.

The third workshop involved the Alabama project. The Alabama project involves the Selma Freedom City in Selma, Alabama. The VVAW plans to organize a team of medics, obtain food, supplies, and building materials, and travel to Selma, Alabama during Christmas this year and provide them with medical attention, assistance in construction, and supply food, clothing, and whatever necessities they are able to gather on behalf of the Freedom City. the obtaining of necessary drugs and medicine for this project.

Source advised the fourth workshop involved the VVAW's role in the national election, and it was proposed by the National Office, that the VVAW support Senator McGovern's efforts in the national election, and that every VVAW chapter is to assist the McGovern campaign office in their locale.

the subject of political repression and political prisoners was brought to the attention of the Committee by [redacted] from [redacted] California. The results of the demonstrations for Billy Dean Smith and Gary Lawton were discussed.

b7D
The next topic to be discussed was the veterans
affairs. This involved a proposal to bring pressure to bear
on local politicians to improve the job opportunities for
veterans and veterans' benefits; also, to improve veteran
hospital conditions.

The next matter discussed involved VVAW internal problem
as it was indicated the National Office treasury, as of last year,
deposited in excess of \$90,000 and spent in excess of \$80,000,
most of which was spent by the six national coordinators, now
headquartered in Chicago. It was proposed that three of the six
national coordinators would remain at National Headquarters at
all times and the other three would make visits to local VVAW
chapters across the country. It was indicated that most of the
\$80,000 spent as of last year, funded the trips and travel of
the six members of the National Office, and it was felt by
members of the Committee that many of these trips were unnecessary
and merely for the pleasure of the National Officers.

SUNDAY, OCTOBER 1, 1972

b7D
Source advised workshops were completed and new business
undertaken. First item on the agenda was the female participation
in the activities of the VVAW. It was pointed out that many of
the VVAW members were former WACS and WAVES, whom had become
upset at not being allowed to participate in all functions and
activities of the VVAW on an equal status. It was pointed out
that those female members who participated in the operation "Last
Patrol," were not allowed to pull guard duty and other duties
reserved for their male counter-parts on the trip. It was then
decided that in the future, all the VVAW members, whether they are

VIETNAM VETERANS AGAINST THE WAR
(VVAW) NATIONAL STEERING COMMITTEE
MEETING, PALO ALTO, CALIFORNIA
SEPTEMBER 29, 1972 - OCTOBER 2, 1972

male or female, would be treated in an equal manner and share in all functions and activities of the VVAW.

MEMBER OF SUBJECT ORGANIZATION

The next item on the agenda was a proposal by the New York contingent headed by ~~an Ed Damato~~ ^{CP/11} address 25 West 26th Street, New York City, New York, telephone 725-5680. ~~Damato~~ proposed in defiance of the National Office's decision to support Mc Govern, that the VVAW work independently towards the defeat of Nixon by focusing the people's attention on the Vietnam war, the present war-time economy, veterans' benefits, and veterans' services. This matter was not resolved and the meeting moved onto the next topic which was introduced by the Bay Area of VVAW located in San Francisco, Post Office Box 151, telephone 861-7700. The Bay Area chapter proposed a Veterans' Community Program. This Program was to serve a community of veterans larger than any one chapter's membership. The leaders of the Program would contact and appeal to local businessmen to hire veterans, and a proposal for this Community Program to serve both civilian and veterans alike, such as breakfasts for children in their respective communities. This Program was to be undertaken by the Bay Area VVAW chapter on a trial basis and questionnaires were passed out among the members of the Steering Committee and they were requested to complete the questionnaire and return it to the Bay Area chapter, and based upon the answers to the questionnaire the Program would be structured.

Following this proposal, a proposal was made by the Northern Illinois and Ohio VVAW contingent, which called for a VVAW investigation of the Veteran's Administration (VA). Its purpose was to inform the American public of how the VA does not care for the needs of returning veterans. They proposed to do this by investigating the VA on six points:

- 1) Veterans' hospitals.
- 2) Veteran hospital drug care.
- 3) Psychiatric care.
- 4) Disability compensations by the VA.

5) The investigation of the GI Bill.

6) Veterans' unemployment.

67C
67D
CAL-7
They also proposed to rely on a questionnaire form not yet available, but they indicated it would be mailed to the chapters when it was completed. It was then the responsibility of each chapter to complete the questionnaire and return it to this contingent which would formulate plans for regional and national investigations, file suits, and petition Congressmen on behalf of the veterans as a result of their investigations. An individual by the name of [REDACTED] city and state [REDACTED] telephone [REDACTED] was to organize this effort. [REDACTED] was from either Chicago, Illinois, or Des Moines, Iowa.

The final proposal was entered by the Alabama and Mississippi contingent, mailing address 1317 14th Avenue, Tuscaloosa, Alabama. This contingent proposed national action on behalf of the Gainesville Six be taken and all the efforts of the VVAW to gain public support of the conspirators be undertaken.

They also proposed endorsing Mc Govern and reminded all the Committee members that a regional conference for the southeast region was to be held at a future date, not indicated, at Auburn, Alabama where they indicated they have 150 acres for the use of the regional conference.

[REDACTED] upon completion of Sunday's meeting, the majority of the contingents concluded their business and departed the area.

the VVAW caravan leaving for Miami on August 15, 1972. The main topic of discussion was what the caravan should expect from civilian personnel and police departments along the convey route, particularly through the southern states for it was felt that sniper fire would be encountered or police road blocks erected. However, no reaction plan was devised since the VVAW had specified that no weapons would be brought in the caravan.

b7D

VVAW is an antiwar organization organized in 1967 and headquartered in New York City. Its published objective is "to demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina."

b7c

On the morning of August 15, 1972, the convoy departed Los Angeles enroute to San Diego to join with a contingent of the VVAW in San Diego. Upon departing Los Angeles there were 21 automobiles and one Honda 350 motorcycle in the caravan. Accompanying the convoy during its trip to Miami was a film crew utilizing still and motion picture cameras and sound recording equipment. [REDACTED] apparently of French extraction, [REDACTED] appeared to be in charge of the film crew. [REDACTED] stated that she had been captured by the North Vietnamese during the 1968 Tet Offensive and her photographs of this action had been used in "Life" magazine. [REDACTED] is described as 5' tall, approximately 35 to 40 years of age, 90 pounds. The film crew included approximately seven

other individuals and it was stated that a movie of the convoy from Los Angeles to Miami would be made. The convoy arrived in San Diego on the afternoon of August 15, 1972, and while joining with members of the San Diego contingent and gassing their automobiles, local citizens filed complaints with the San Diego Police Department that private driveways were blocked and as a result San Diego Police officers who arrived at the scene proceeded to copy the license numbers of each vehicle in the caravan. The caravan departed San Diego and proceeded through Yuma, Arizona, where it was given a police escort through the town. On the evening of August 15, 1972, the caravan stopped for the night at a rest area near Chiricahua National Monument, Arizona.

On the morning of August 16, 1972, the convoy departed Arizona, proceeded into New Mexico and on to El Paso, Texas, through Ft. Stockton, Texas, and camped for the night in Junction, Texas. On the morning of August 17, 1972, the convoy departed Junction, Texas, went through Johnson City, Texas, where the convoy received the attention of the Secret Service for several miles through this area. Near Austin, Texas, the convoy was badly fragmented due to a lack of direction on the part of convoy leaders and misjudging the distance between gas stops. Outside of Austin, while the convoy was reorganizing, a young boy who was in the convoy being transported by his mother, who had traveled with the convoy from Los Angeles, was struck by a passing truck. The local police were called and when it was established that the child was not seriously injured, the convoy was allowed to continue on its route. As the convoy was regrouping, the police arrested a member of the convoy for possession of an offensive weapon, a knife. This individual, unknown to the source, was subsequently released by the police and the convoy departed for Baton Rouge, Louisiana, where it spent the evening in a bayou campground.

On the morning of August 18, 1972, the convoy departed Louisiana, went through Mississippi into Alabama. A massive rush-hour traffic jam in Mobile, Alabama, separated the convoy which did not regroup until arriving at the Florida Border. In Marianna, Florida, local police attempted to arrest persons from one of the vehicles in the convoy, accusing them of being fugitives from San Diego. Approximately 100 persons surrounded four police officers and after a discussion it was decided no one would be arrested. The convoy stopped at a residence on

Pierce, Florida, so the Los Angeles convoy held another party at New Smyrna Beach.

On the morning of August 20, 1972, the [REDACTED] departed New Smyrna for Miami Beach.

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international

"National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

7 According to the source the camp area at Flamingo Park was stagnated under the influence of heat, too many vehicles, few communicated decisions, and the easy accessibility to drugs and alcoholic beverages. Two thirds of the park was occupied by zippies, an offshoot of the Youth International Party, and members of the Students for a Democratic Society (SDS), Worker Student Alliance (WSA) faction.

✓ SDS was founded during June 1962 at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy," SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced split during the SDS National Convention in June 1969, which resulted in the following three factions: Weatherman, WSA, and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated.

Weatherman, formerly a faction of SDS, controlled the SDS National Office from June 1969 until its closing in February 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

MIAMI REPUBLICAN CONVENTION;
INFORMATION CONTAINING

WSA, a faction of SDS, was expelled from SDS in June 1969, by the then dominant Weatherman faction but continued to use the name SDS and opened an office in Boston, Massachusetts. WSA aligned ideologically with the PLP and in February 1971 moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash. Its official publication, "New Left Notes," is published in Chicago.

The Progressive Labor Party was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

RYM, a pro-communist revolutionary youth organization, was organized in 1969, first as a faction within the SDS, then as a separate group with headquarters in Atlanta, Georgia. RYM was unsuccessful in attracting support and by mid-1970 it was practically defunct.

This was a cause of constant concern and friction for the VVAW, for the zippies continually set off fireworks and stole equipment and food that was not under guard and spent the majority of their time getting high on narcotics and/or alcoholic beverages.

On the afternoon of August 21, 1972, approximately 500 to 600 persons marched to a local high school where the Florida National Guard troops were located. Some of those in the march tore down apartment house signs along the way and antagonized supporters of President Richard M. Nixon. At the high school Ron Kovic (Supra) made an emotional speech and called for the National Guard troops to join the marchers. Members of the Guard closed the blinds on the school windows but later a note was dropped from the windows stating that the

National Guard was sympathetic with the veterans. At this location seven demonstrators were arrested for climbing on the school roof. That evening rallies were held by various organizations but were sparsely attended.

On August 23, 1972, members of the VVAW left for another late start but a march was held to the hotel of the delegates attending the convention, the Fountainebleau. During this demonstration, two veterans were slightly injured when a delegates car struck them and then left the area. At the Fountainebleau Hotel, eight members of the VVAW were given tickets by an elderly man and woman to attend a Young Republicans for Nixon dinner. The eight individuals went to the Marine Auditorium and were refused entrance. The police and Secret Service questioned the eight and then ordered them to leave the area. When the eight had reached a bridge approximately two miles from the Marine Auditorium they were stopped by the local police and the driver of their vehicle was arrested for having a broken tail lens and the vehicle was impounded. The other seven remained at the area with the police for approximately 30 minutes and then they were all arrested for disorderly conduct and obstruction of a police officer. All eight were booked and bail was set at the Dade County Sheriff's Office approximately nine hours following the arrest and all were released.

[REDACTED]
[REDACTED] own. [REDACTED] also edence
with [REDACTED] by members of the zippies and SDS, WSA Faction, but
nothing specific in the way of participation was announced at
the VVAW camp. Many of the VVAW members became disenchanted
with the poor showings at previous marches and demonstrations
and decided to leave Miami Beach; majority of these VVAW members
proceeded to Gainesville, Florida, to support veterans who had
been previously arrested.

On August 23, 1972, [REDACTED] and two other
wheelchair veterans received passes for the convention floor
from California Senator Paul McClosky and entered the convention
hall. They were surrounded by guards and media representatives
but managed to make a quick speech before being led off. One
woman at the convention allegedly expectorated on [REDACTED] as he
left the convention floor. Several VVAW members momentarily
disrupted President Richard M. Nixon's Inaugural Speech by
chanting from the gallery "Stop the Bombing". On August 24,
1972, the VVAW members who arrived in Gainesville, Florida,
marched through the rain with their hands placed on top of
their heads in a silent protest in a demonstration in support
of four previously arrested VVAW members. Following this
demonstration the vast majority of VVAW members departed
Florida and headed out in their own direction.

"WAR VETERANS FROM UNITED STATES AND INDOCHINA TO HOLD
PARIS MEETING"

"Sixteen members of Vietnam Veterans Against the War
arrived at Orly International Airport in Paris, France this
morning, June 26, 1972, for a three day meeting with veterans
from the South Vietnamese National Liberation Front, North
Vietnamese Army, Pathet Lao, and Cambodian Liberation Govern-
ment. The meeting will mark the first time veterans from op-
posing armies have met in peaceful discussion while the conflict
is in progress. This will be a profound human encounter between
former "enemies" to seek a mutual understanding about what can be
done to end the war and how each can work toward peace."

Vietnam Veterans Against the War (VVAW) is an anti-war organization organized in 1967 and headquartered in New York City. Its published objective is to "demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina." VVAW has participated in several demonstrations, including massive demonstration in Washington, D. C., April 19-23, 1971.

On September 25, 1972, a source who has furnished reliable information in the past, made available an eight-page printed News Letter Number 19, bearing letterhead of the Alabama-Mississippi Region, Vietnam Veterans Against the War, Inc., 1317 14th Avenue, Tuscaloosa, Alabama 35401. This News Letter sets forth the information that a regional conference is scheduled in Auburn, Alabama, on October 6, 7 and 8, 1972.

.....REGIONAL CONFERENCE.....REGIONAL CONFERENCE.....REGIONAL CONFERENCE.....

In Auburn, Alabama on Oct. 6, 7, and 8, the Alabama-Mississippi Vietnam Veterans Against the War will hold a Regional Conference. All members from the Region are invited and urged to attend. We have also invited many VVAW supporters and members of other groups who are involved in this struggle. There will be a band or two on Friday night to keep us happy. Our first business meeting will begin Saturday morning (Oct. 7) at 10:00. Then at 2:00 we plan to have a couple of speakers from the NDPA, Alabama McGovern people, national VVAW, and American Friends Service Committee. All in all the conference should give us the best opportunity ever to get as many of us together and planning how we can best direct our efforts toward ending the War and bringing the Truth home. The Auburn VVAW will be sending you further details and a map. It is important for you to come and bring some friends of like mind. We guarantee you a good time and hopefully we will be able to come up with some collective ideas on how to get our part of the movement really going.

You should bring sleeping gear and food, to last for the entire conference. Auburn is a few miles from the camp site, which is in the deep country, so you will be able to purchase some things. We still suggest trying to come prepared.

Remember, if you are reading this newsletter, we really want to see your face and get into your ear and vice versa.

Bring some T-shirts and fatigue jackets, etc. We will have a silk-screen process set up to silk screen the VVAW emblem on your shirts or whatever. It may cost a whole 50¢ apiece. We'll also have literature, slide shows, flicks, etc.

.....REGIONAL CONFERENCE.....REGIONAL CONFERENCE.....REGIONAL CONFERENCE.....

Veterans Day

October 23 is Veteran's Day. We are attempting to obtain a parade permit here in Tuscaloosa and would like to have a good sized action ready to go. We'll discuss this more fully at the Conference, but if you can't make it, let us know if you are interested in helping with this action.

RESIST COMES THROUGH

RESIST, a group out of Cambridge, Mass. has given us a grant of \$200 to help in our efforts. These people deserve a kind thought, as their generosity is going to keep us going for a while and help us procure some needed materials. Take a second, and think something nice, dedicated to them. Good folks.

STRIKE AT UNIVERSITY OF ALABAMA

The University Chapter has been working in support of a strike of university workers, Local 1279, AFL-CIO at the University of Alabama. We helped sponsor a couple of rallies and got about 450 letters from students to members of the Board of Trustees, University officials, state politicians, ad nauseam. This strike is a righteous action on the part of the workers, who have been generally fucked over by the Administration. Watch the news for further developments, as it could last for a while and neither side appears willing to back off at this point.

GI Bill

The Montgomery Chapter tells us that it's time to start building support for our Alabama GI Bill. The State Legislature meets in May, and we're starting to look for sponsors for the Bill. We have the names of some NDPA legislators who will help us, but we need more support. Let us know if you would like a copy of the Bill to show to anyone who's interested. Our lawyer in Montgomery will be plugging it at the State Capital, but we also need supporting action at the local level. It's your Bill and will benefit you and the families of your dead brothers, so get in touch and let us know what you're up to.

The VA FAIR

The Tuscaloosa Chapter will be building and manning a booth at the Tuscaloosa Veterans Administration Hospital again this year, (Oct. 4) at their annual Fair. It requires that we buy \$25.00 worth of chits, redeemable at the Hospital Canteen, to be given away as prizes to the patients. The Fair is held on the Hospital grounds and is put on for the patients, so how about chipping in with a little money to make it all possible. Our booth was popular last year, and we don't want to crap out on our hospitalized brothers, now do we? Help out, and send your contributions to the Regional Office. It might just as easily be you out there.

NDPA

The Tuscaloosa and University chapter have been working closely with the National Democratic Party of Alabama in this district. We urge you to get in touch with your local NDPA people and talk with them. If you like what you hear, and we think you will, take some time and work with them. We feel that they provide the only alternative to the present power structure in the state of Alabama.

VOTE

If you haven't as yet, register today, and vote in November. George McGovern may or may not be a little shakey, but we think he will end the war. REGISTER

TALLAHASSEE 4

Our brothers in the Leon County Jail, Tallahassee, Fla., 32304, need mail, their names are Wayne Beverly (Tex), John Chambers (Fla), Bruce Horton (Fla), and Jack Jennings (Fla). They are incarcerated in an 8 by 10 foot cell with no ventilation, they have received no exercise since they were imprisoned on August 10. They have painted a very large VVAW symbol on the wall of their cell with the legend Vietnam Veterans Against the War Leon County Jail Chapter (temporary), the Liberation flag of Vietnam is also displayed prominently to the consternation of the jailers. Given the situation, our brothers remain strong and send their love and wisher that VVAW continue the struggle for peace and equality. They would like to thank those who participated in the March in Gainesville in support of the Gainesville 6 and also those who marched in Tallahassee two days later. They say they do not feel isolated, since they are receiving so much support from the outside. Drop them a line and let them know how you feel. It looks like they will remain POW's until 31 December, 1972.

ALABAMA - MISSISSIPPI
VIETNAM VETERANS
AGAINST
THE WAR

1317 11th Ave.
Tuscaloosa, Ala.
345-9919 or 345-6773

OBJECTIVES OF VVAW

1. To demand an immediate cessation of fighting and the withdrawal of all American troops, planes, and military and economic aid from Indochina. We cannot allow one more human being to be killed in Southeast Asia.
2. To demand the immediate termination of all other operations by the United States government, its agencies, and American business interests that are designed to suppress the rightful struggles for liberation and self-determination of the Peoples of Africa, Asia, and Latin America. This includes the maintenance of dictatorial governments, economic domination, and the theft of the natural resources of other countries.
3. To demand that all active-duty servicemen and women be afforded the same rights that are guaranteed by the United States Constitution and Bill of Rights that are presently denied by the Uniform Code of Military Justice. We are appalled that active-duty GI's are treated as less than first class citizens. We endorse the efforts of our active-duty brothers and sisters in their struggle to democratize the military.
4. To support all military personnel refusing to serve against their consciences in wars at home and abroad. We demand that Congress enact legislation for the immediate repatriation of those brothers and sisters who are in prison or in self-exile by reason of their refusal to serve in the military. This legislation must also include an end to all repression and a freeing of all political prisoners.
5. To demand that there be no distinctions as to types of discharge and that a single type of discharge be issued, and that this be retroactive. We also demand that all veterans receive all rights and benefits under the VA; and that compensation for disabilities be based solely upon the degree of disability for veterans and their families, without regard to sex, race, rank, or length of service.
6. To make clear that the United States has never undertaken an extensive, open investigation of American war crimes in Indochina. We demand that the United States government, in its war in Indochina, affirm the principles of Nuremberg. As active-duty and former GI's, we recognize the responsibility and guilt of the individual soldier to refrain from committing war crimes. We also recognize that the responsibility and guilt for war crimes committed in the name of America lies with our policy makers at all levels.
7. To show Americans that our society is permeated by racism, which manipulates whites into viewing non-whites as inferior or less than human. This racism pushes Third World People through inferior schools to inferior jobs and into the combat arms. Thus Third World People are sent off to die in disproportionately high numbers as we kill Asians indiscriminately. We also demand that the U.S. military recognize its complicity in America's domestic and international racism.
8. To show that sexism plays a major part in promoting war. We must show Americans our society is permeated by sexism, which forces an inferior status upon women; reducing them to subservient sexual objects; and which robs both men and women of their natural growth. This institutionalized sexism channels women into unfulfilling, lower paying jobs which are servile in nature and purpose; it exploits their bodies for sex and profit; and it degrades and dehumanizes them by a double standard of morality wholly dependent on the myth of male supremacy. This sexism is exploited by the military, officially defining servicewomen as subordinate and thoroughly subjugating them to servile work and the role of a sexual object. We resolve to fight sexism within our society, within our own organization, and within ourselves.
9. To dedicate ourselves to these principles and objectives which directly relate to the imperialist suppression of the People of the World by the United States government. We understand this war in imperialist origin and affirm that the membership of VVAW is not only concerned with ending this war, but with changing the domestic social, political, and economic conditions that have caused and perpetuated its continuance.

On one recent day, in Quang Tri Province alone -- an area not much larger than Rhode Island -- we dropped twenty-five hundred tons of bombs, with three or four times the blast-damage force of the atomic bomb on Hiroshima. That is what the war has come down to. In this year's Presidential elections, the country will be brought face to face with the question of the war, In Ala-Miss this will happen only if we (you and I) make it happen but it is a changed war now, and a changed country. The country has been brought to the point of exhaustion by the war. It is an exhaustion of sensibility, however -- not physical exhaustion. Most of us find it more tiring to think about the war than to wage the war. Thinking about the war takes special effort, after all these years. On the other hand, waging the war is easy. All you have to do is to go on with business as usual. This is enough because the war has become part of America's business as usual. The war has inertia on its side. In a strange reversal of the usual order of things, it requires inaction to fight the war and action to stop fighting it. And because it takes so little for most of us to go on with the war, we sometimes get the feeling that someone else is waging it, or that no one is waging it -- as though the computers and the B-52's could wage it by themselves. Yet in fact it is no one but ourselves who are killing the Vietnamese. If we are not killing them, who is? Some people go as far as to maintain that the war is over. But what has happened is only that its shape has been changed to fit the public mood in the U.S. For the Vietnamese, the war is in its most punishing phase.

But if the war is the only reality for the Vietnamese, who are living with it, it is almost wholly unreal to Americans, who are supplying most of the explosives. This is partly because what we are doing in Vietnam isn't like war as we have known it in the past. War is fought against an enemy, but who is the U.S.'s enemy in Vietnam? The North Vietnamese cannot harm us now and never will be able to harm us. They can just barely harm the force we are using to destroy them. The enemy can hardly be the Chinese, who we are told, will soon be flying about in American 707's. And surely it isn't the Russians, whose Party Chairman now drives a Cadillac given him by President Nixon. Wars involve risks, but in what is happening in Vietnam the risks to most Americans are nil, and the combat casualties of those in the theater of war are regularly lower than the casualties resulting from accidents. For Americans, Vietnam is less a battlefield than an open pen that we fire into at will as the people flee in masses from one side to another. War is a contest. The people we are killing are unable to pit their arms against our arms. Instead, they have pitted their willingness to suffer and die against our willingness to torment and kill. Our strategy is to punish them until they can no longer endure the punishment and must give up. This is the logic of the torture chamber, not of the battlefield. Wars call for sacrifice, but few people on the home front are being asked to make any. Those who lose their sons don't find that the burden of their loss is being shared.

All in all, the American endeavor in Vietnam is more like a factory than like a war. It's a war in which the assembly line and in the villages of Vietnam. None of the Americans participating are ever reminded that they are involved in anything out of the ordinary -- not the scientist who designs the weapons, not the worker and the executive who manufacture them, not the taxpayer who pays for it all. And, at the end of the line, the pilots who deliver the bombs to the Vietnamese villages are as undisturbed as milkmen delivering bottles to the doorsteps of American homes. There are all kinds of factories, and the American machine in Vietnam is a death factory. We are its workers and its consumers, our ships and planes are its moving parts, and the Vietnamese are its raw materials. In this new guise, the war has become so much a part of our lives that we scarcely notice it any longer. In a way, those who claim that the U.S. is no longer active in Vietnam are right. The war cannot now be seen as something we are doing; it is what we are.

To discuss women's problems related to the war -- and to work together for common interests. See you in Auburn, Sisters.

We've got films and slide shows and raps and leaflets and books, etc. Let us know if you would like a few of us to come to wherever you are hiding out and put on an affair. You set it up and we'll get someone over. If you can get yourself together, we'll send you the stuff and you can do it yourself. There are a lot of people out there reading the newsletter and saying, "Well, that's nice." It takes more than that to keep a movement going. WVAI is not here just until the next demonstration. We're here to stay, so let's get our shit together and help each other out. Enough said.

If you've been a member for a year, your dues are due again. If you've never paid how about helping us out with whatever you can. We can't keep this thing together with peanut butter, and whatever you can spare will definitely be appreciated. Contributions are always welcome.

This mailing was made possible by the generous contributions of supporters of the Birmingham chapter VVANJ. Thanks sister!

If you haven't registered to vote as yet, we urge you to do so. Politics is generally bullshit, but unemployment, high prices, and the continuing war in Vietnam are realities. It's just possible McGovern might do something about these problems, so many of us are supporting him on an individual basis. It only takes a minute and doesn't hurt a bit. If you're a student, it might interest you to know that McGovern authored the Bill that is floating around Congress right now to increase your GI Bill allowance and to pay all tuition and fees up to \$3000. It will add about \$75 to \$100 to your monthly pay, depending on your category. The Republicans are doing their best to thwart its passage, and we all know who pulls their strings. We'll be getting more info to you on the NDPA candidates in the upcoming election. The Regional Office sent a couple of people of people to their state convention, where we wrote their platform planks on the War and on Veterans Benefit and Services. If you had been there, you could have been just as active in determining the party's actions and directions. We're supporting them in this area, and urge you to do the same.

Ala-Hiss was represented by four carloads of folks at the Republican Convention, about 16 people in all. VVAW led two demonstrations during the Convention, one on Monday and one on Tuesday. On Monday, about 1000 Vets & supporters marched to a Miami High School where the National Guard was staying and we leafletted the troops with instructions on discharge procedures and methods to avoid hassling demonstrators. We also performed some guerilla theater for the troops, but the brass went from room to room pulling the shades to prevent any truth from filtering in. On Tuesday, 1600 vets and supporters marched four abreast in a silent march through the streets of Miami, ending up at the Fountainbleau, where we were met by Paul McCloskey and a large number of State Police. We spoke on the war, unemployment among veterans, vets drug problems, and the Veterans Administration. A couple of vets, confined to wheelchairs were allowed to deliver a letter inside, where it was probably shitcanned. We provided the security for both demonstrations, which were orderly and peaceful. At one point we did evict some American Nazis who had come into Flamingo Park, torn up an exhibit and thrown some people off a stage. We did so with a minimum of force and only after it became evident that the crowd was ready to rip them off. The VVAW also helped with camp security, preventing theft, violence, and the sale of coppers and heroin. Most vets left early Wed., and headed for Gainesville to rally in support of the Gainesville 6, whose arraignment took place the following day. A good bit of bullshit did transpire at the Convention but VVAW was together and effective. The older Jewish community and

The letter on the opposit page worked it's way into the News letter by mistake. But because VVAW at the U. of A has been working with the AFL-CIO and was responsible for sending out over 450 copies of that letter to congress and other places perhaps you might be interested in knowing the Union's stand.

University of Alabama
University, Alabama
Sept. 13, 1972

Greetings:

My signiture at the bottom of this letter indicates that I am in full agreement with its contents. I'm sending this to you, hoping that what it has to say will lead you to take some sort of action as regards the present situation here at the University.

The University Workers are on strike for reasons which I believe to be legitimate. They appear to have exhausted all other methods of trying to communicate with the University administration and Dr. Matthews, President of the University. I support their strike and agree that their demands are legitimate. Here is a partial list of what they are asking for:

1. non-discriminatory wage increases be instituted.
(the last wage increase only allowed for a maximum raise of 10¢/hr for black workers)
2. full recognition of Local 1279, AFL-CIO, the local to which the workers belong.
3. guarantee of a 40 hr. work week for all union members.
(they now work on a 36 and 3/4 hr./week contract which allows the University to refrain from granting certain rights which automatically hinge on a 40 hr./week contract)

The fact that Dr. Matthews and his administration have refused to even seriously consider these demands seems to point to their lack of concern about the idess and welfare of not only their employees, but also the students and faculty.

Freshmen have been forced to live in overcrowded, uncomfortable dormitories because of the administration's inept handling of University financing and housing difficulties. Students are now being forced to pay an exorbitant fee to replace lost or stolen student ID cards.

The faculty has been unable to gain a meaningful say in what University policies, both academic and financial, will be. Dr. Matthews received a \$5000/year raise recently, yet academic programs which would benefit the students are screaming for funds which he claims do not exist.

In short, we are faced with an administration, led by Dr. Matthews, which believes that silence will hide incompetence and that others should pay for that incompetence.

I'm asking you to call or write the University and Dr. Matthews and ask them what is going on. Ask them to answer those charges to you. You pay the tuition and the taxes, and money talks. I'm asking for your help.

Sincerely,

Dr. David Matthews

The pre-trial arraignment took place in Gainesville on Thursday, August 24. Judge Middlebrook set the trial date for 10 October and stated that the trial should not last more than one week. About 100 sisters and brothers marched 15 blocks to the courthouse and were met there by the six defendants. Following the arraignment the defendants and the lawyers joined arms and led a joyful group of 150 VVAV members through the rain and downtown to the heart of Gainesville. The group will attempt to postpone the trial date in order to get more time to prepare their defenses. During the trial they would like as many vets as possible to come to Gainesville. Camping and food arrangements will be made, the battle is taking place in the court and on the streets. We'll be keeping you informed. Drop us a note if you can make it down for the trial. Some of us will be going from here.

In the Spring of 1972, at a demonstration at Plattsburgh Air Force Base, Plattsburgh, New York, a flyer was distributed which bore the heading "Vietnam Veterans Against the War, New York State Regional Office, 25 West 26th Street, New York, New York" which lists NYS coordinators. One regional coordinator for the Utica area was LARRY DAVIS, [REDACTED]

Investigation was immediately instituted to ascertain if there was a VVAW Chapter in the Utica, NY area.

Logical and extensive investigation has been instituted and appropriate sources have been contacted regarding this matter in both the Utica and Waterville areas. As a result of this investigation, all of which is negative and therefore not set forth, it was determined there is no Utica or Waterville Chapter of the VVAW.

Details of this investigation are set forth in Albany File.

Albany is conducting no further investigation regarding a Utica chapter of the VVAW.

VIETNAM VETERANS AGAINST THE WAR

Vietnam Veterans Against the War (VVAW) is an anti-war organization organized in 1967 with headquarters in New York City. Its first public objective is to demand an immediate cessation of fighting and withdrawal of all American troops from Indo-China.

Organization

A VVAW Chapter was formed in June, 1971 at Rochester, New York by JOHN SNYDER, a veteran who spent two years in Vietnam. Formation of the Chapter by SNYDER was based upon his "disillusionment with the policies of the United States Government."

Bureau attention is directed to the file captioned
 "DEMONSTRATIONS KNOWN AS VALLEY FORGE II SPONSORED BY NORTHEAST
 REGION VIETNAM VETERANS AGAINST THE WAR (VVAW), 12/24-31/71
 AT VALLEY FORGE AND PHILADELPHIA, PA., NEW YORK CITY AND
 WASHINGTON, D.C.; IS - NEW LEFT, VIDEM", PH file 100-53876.

As the title reflects, this is the investigation which
 covers the incident referred to in this magazine article.
 Discussion with agents familiar with this matter developed that
 they had no recollection of receiving information that the VVAW
 was planning to leaflet Philadelphia by plane and had not been
 able to find a plane. In view of these negative recollections,
 a serial by serial review was made of the file covering Valley
 Forge II.

It is noted that excellent informant coverage was
 afforded this by a number of surrounding offices as well as
 Philadelphia. It is significant to note that no where in this
 file does there appear information concerning the use of an
 airplane to leaflet Philadelphia. Because of its rather unusual
 nature, such information would, of course, automatically have
 been included in the various letterhead memoranda and communica-
 tions prepared in this matter, certainly those which were sent
 to the Bureau.

It seems correct to conclude then that [redacted] allegation must be incorrect as we could not have furnished him, even inadvertently, information we did not possess.

The Bureau may wish to review Bureau file on this matter for further confirmation.

SA [redacted] who is currently assigned at Minneapolis, will handle the encampment phase at Valley Forge State Park. As part of his duties, he kept the Penna. State Police, who had principal security, fully aware of significant developments. They, of course, knew he was the Agent responsible for this matter.

b7c
About a week after this encampment, it is known that VVAW group when picketing the Philadelphia office in Philadelphia, shouted the name of [redacted] and at the time we were unable to resolve how they might have come into possession of this name. The best reasoning indicated that some law enforcement officer who had contact with the VVAW might have had a slip of the tongue and let out his name. It was not until "Harrisburg 7" trial in January and February, 1972, that a better explanation for this incident came about.

At that time the VVAW received special permission from Governor MILTON SHAPP to camp on the "island" at Harrisburg, forbidden to all other persons. This permission was secured for them by a former attorney in the Community Advocate Unit of the [redacted] State Department of Justice. His name is [redacted]

b7c
Through [redacted] it was learned that [redacted] told VVAW leaders that [redacted] was available for investigation of the [redacted] in Harrisburg and that he [redacted] was there to protect the [redacted] from [redacted] by the FBI, particularly [redacted]

Some inquiry at this time and discussion with SA [redacted] then developed that [redacted] attorney [redacted] had been the representative on the scene at Valley Forge State Park. There he secured for the VVAW unique permission to camp overnight and it is reasonable to project backwards that [redacted] the [redacted] who did for SA [redacted] what he did for [redacted]

PH 100-new

highlight his name to the VVAW.

b7c We have conducted no investigation of [REDACTED] and do not know his present location. Unverified [REDACTED] in Harrisburg has it that he was a member of the STUDENT A DEMOCRATIC SOCIETY when he was an undergraduate at an unnamed midwest college.

In view of the foregoing, no further action will be taken by Philadelphia.

VIETNAM VETERANS AGAINST THE WAR (VVAW)

The Vietnam Veterans Against the War (VVAW) is an anti-war organization organized in 1967 and headquartered in New York City. Its published objective is "To demand an immediate cessation of fighting and withdrawal of all American troops from Indo-China. VVAW has participated in several demonstrations, including a massive demonstration in Washington, D. C., April 19 - 23, 1971.

On October 16, 1972, a confidential source, who has furnished reliable information in the past, advised that the VVAW plans to participate in a Veterans Day Parade, Birmingham, Alabama, on October 23, 1972. The source advised that the VVAW will attempt to have members throughout the Southeast participate in this parade.

On October 23, 1972, [redacted] advised [redacted] that the VVAW has no more than 25 VVAW members to participate in the Veterans Day Parade in Birmingham. [redacted] advised the VVAW participation would be nonviolent and if VVAW members are not given permission to march, they will hold some type of silent protest.

On October 23, 1972, [redacted] Birmingham Police Department, Birmingham, Alabama, advised that 12 to 15 members of the VVAW met in [redacted]

VIETNAM VETERANS AGAINST THE WAR

On October 25, 1972, a confidential source, who has furnished reliable information in the past, advised that at approximately 11:00 AM, October 23, 1972, members and supporters of the Vietnam Veterans Against the War (VVAW) began meeting at Woodrow Wilson Park, Birmingham, Alabama, to prepare for participation in the Veterans Day parade to be held in Birmingham on that date. Signs were made by the group to display during the parade. By 1:00 PM, approximately 70 persons had gathered at the park, including VVAW members and supporters from high schools, colleges, and Birmingham residents.

VVAW is a national veterans organization with a national office located at 25 West 26th Street, New York City. Its first published objective is "to demand an immediate cessation of fighting and the withdrawal of troops from Indochina."
